

PRODUCT SPECIFICATION

Article number	3310058		
Date	06.10.2022		
No. Specification	HB 6/250 12x500		
Version	v1		
Product name	drinking straws	6 / 250	PHA
Intended use	drinking straw for all types of beverages up to 40° C		
Colour	white milk		
Shape of straws	straight		
Material			
Raw material	PHA Polyhydroxyalkanoates : compostable in accordance to ISO 13432-2000-12		
Masterbatch	not applicable		
The country/ area of origin of raw materials	USA, EU		
Parameters			
Diameter (mm)	6	±	0.1
Length (mm)	250	±	2
Wall thickness (mm)	0.17	±	0.02
Weight of 10 units (g)	10		
Packing			
Method of packaging	12 x	500	units
Wrapper-cigarette paper (mm)	nd		
Bag/small box size (mm)	400 x	350	
No. of items/ bag	500	±	2
Total weight (bag with straws) (g)	518	±	5%
No. of items/ collecting box			
Carton size (mm)	595 x	394	x 340
Weight of collecting box (netto)	6.2		
Weight of collecting box (brutto)	7.0		
Palletizing			
Pallet size (mm)	1200 x	800	x 2190
No. of collecting box per layer	4		
No. of layers/ pallet	6		
Pallet weight	193		
No. of cartons on pallet	24		
No. of items/ pallet	144000		
Other			
Use	straws for drinks		
Term of validity	9 months		
Storage information	dry storehouse and protect from the sunlight		
Transport information	according to GHP
